Financial Statement Form

All international students requiring an F-1 student visa must submit this form and supporting financial documents to provide evidence of funding for one academic year. An I-20 will be issued AFTER financial documents are approved by CHU Admissions and the student is accepted by the university. All documentation must be dated within six months of the date of application at Colorado Heights University. Funds should be cash assets such as cash in a savings account, short-term annuities or certificates of deposit with expiration date indicated. Cash assets must be verified by submitting bank statements or similar statements showing specific amounts. If funds are in a currency other than US dollars, we will do the conversion.
